Porto city is world famous, with thousands of visitors, and prices are also higher at this season – we have done our best to achieve these minimal fees, only possible thanks to the generosity of our supporters and sponsors.
- 2) The banquet-dinner (included in the congress fee) is reserved in advance, accompanying persons are welcome – but have in mind that there is a limit number of places at the Palace's famous restaurant. It is thus convenient to check with us the availability, since priority is given to the participants. Please add 35€ for each extra person, including this amount in the total "extras \_\_\_\_ €". You are also welcome to join other group meals, pre-arranged or unbound – more information shall be provided before and during the conference.
